

PENREN this Week

July 28, 2003

Wedges 2-5 Renovation

Wedges 2 through 5 encompass the remaining 4.5 million square feet of Pentagon space to be renovated by 2010.

The 2A basement is being built out as shown by this electrician working on a bathroom wall.

Inspectors and crew put the final touches on an outer E-ring executive pantry

From the completed 2nd Floor/E-ring, the view of the next area under construction (framed) offers a stark contrast.

Roads, Grounds & Security

Two Roads, Grounds and Security Projects are currently underway, the Remote Delivery Facility Secure Access Lane (**RDF-SAL**) along Route 27 and the Pentagon Secure Bypass (**PSB**) Lane which involves the rerouting of Route 110 through the Pentagon North Parking lot.

I-395N Exit 10A (Boundary Channel Drive)
will be closed from
9:00 AM to noon on 7/31/2003.
Detour Signs will guide drivers around construction

The North Parking connector will allow traffic to travel between the two portions of North Parking over the relocated Route 110.

Installation of the pre-stressed concrete beams being in place for the North Parking Connector. which will allow traffic to travel between the two portions of North Parking over the relocated Route 110.

Installation of the new security station at the back gate of H&RP
